

### 3 | Course of Study:

Please list in extra document:

- Art History and other relevant courses taken;
- Publications; add a short abstract (include online publications and contributions to scholarly websites); and
- Conference or workshop participation (if applicable: topic of your contribution).

### 4 | Additional required documentation:

Please add in separate files:

⇒ **English and Chinese proficiency documentation**

(Certificates of GRE\TOEFL\IELTS 6.5-7 preferred; comparable certificates of your home institution will also be considered)

⇒ **Written application / letter of motivation:**

Format: font size 12, 1.5 spacing or double-spaced, max. 3 pages

Required content:

- Description of your academic background and research interests;
- Explain whether you have previous experience in or knowledge of the field of the project, or how your own background contributes to the project;
- Explicate how your own research interests correspond with the direction of research you would like to pursue in the course of the project; and
- Describe your expectations and what you hope to gain from your participation in the project.
